

Geo-Specific EFT Level 1 Training

This is a fast paced yet in-depth two day training introducing the history of EFT, how to use the technique on yourself and others & techniques to improve the effectiveness of EFT.

This course covers Modules 1 and 2.

The training is experiential, allowing you to build your skills step by step while working on a range of emotional and physical issues. In this micro group training, the number of participants is strictly limited, allowing for individual attention.

About Your Trainer: Puja Kanth Alfred, MA(Psy)

I am a Certified EFT Practitioner and a Counseling Psychologist.

My 7+ years of experience in therapy along with the EFT Training I took, helps me in assisting students to easily build EFT skills. This training program adheres to the classic EFT skills as taught by Gary Craig and also introduces Geo-Specific EFT.

Trainer Credentials:

M.A (Psychology)

Certified EFT Intermediate practitioner -1
(EFT universe Certification Program By Dawson Church), 2011

EFT CERT I (Official Certification Program from Gary Craig's EFT Foundation), 2009

EFT-ADV (Advanced Certificate of Completion) 2004

EFT - CC (Fundamentals Course) 2004

Highlights of the course

1. The number of participants is strictly limited, allowing for individual attention.
2. There is plenty of time for you to ask questions and share ideas.
3. This course is packed full with practical exercises and hands on learning.

At the end of the training, you will receive

1. Level 1 E-Manual designed specifically for this course with valuable tips for more effective EFT application, diagrams, illustrations and flowcharts with case examples for better understanding.
2. Booklet on Geo-specific EFT
3. 2 videos by Gary Craig (Founder of EFT)
4. Certificate of Completion

(After registration you will be sent a link for payment via paypal or bank transfer)

What is Geo-Specific EFT?

Geo-Specific is a New Approach to EFT application that is sensitive to cross-cultural variables that influence individual behavior.

Simple translation will not work for people whose native language is not English. The affirmations have to be customized according to the culture and language of the person because each word has intensity and the intensity will vary from culture to culture.
